

Bajaj Finserv Direct Limited

Job Description

Product Manager - Technical Project & Delivery
Manager,

Location – Pune

About Bajaj Markets:

Bajaj Markets, a subsidiary of Bajaj Finserv and one of the fastest growing fintech in India, is a one-stop digital marketplace that offers multiple financial products across all categories - Loans, Cards, Insurance, Investments and Payments. Bajaj Markets has partnered with some of the most trusted names to offer choice to its customers and help them achieve their financial life goals.

Having started its journey as a fintech, Bajaj Markets has since then, built a very strong business as a techfin. Its Technology services businesses are built on its core capabilities in consumer insights, technology and data analytics. Its first B2B SBU, Skaleup, has been created to become the leading digital technology services provider in India through deep domain expertise and execution capabilities.

Besides this, Bajaj Markets has built a new business unit to become the preferred partner for digital technology initiatives across all group companies of Bajaj Finserv. Herein, the strategy is to align with digital technology roadmap objectives of all the group companies of Bajaj Finserv and offer digital technology services and platforms at market competitive rates.

As the tagline goes, with Bajaj Markets, "Ab Choices Hue Aasaan"
